7. METHODOLOGY

7.1

Ethos, pedagogy and activities in classrooms for all pupils:

Pupil participation in their own learning means a range of different things in the classroom. It includes developing the curriculum to reflect interests and needs as expressed by pupils; encouraging pupils' reflection on their own and others' learning; reflection by pupils on the style and content of lessons; opportunities to give and respond to feedback and put forward a point of view in an appropriate manner, respecting the opinion of others. Assessment for Learning encourages a view of assessment as an essential part of everyday classroom practice involving teachers and learners in reflection, dialogue, decision-making and target setting.

7.2

School Leaders (Year 6):

Year 6 children are elected each year to be outstanding role models for the school. School Leaders will be expected to lead by example; demonstrate excellent behaviour, lead assemblies, welcome visitors and be able to represent the school in the wider community.

7.3

School Council:

Pupil voice is actively promoted in school by the use of the School Council. Our School Council provides a meaningful way in which pupils can voice their opinions and have their views taken into account in decisions which impact upon them. Our School Council offers an excellent forum in which to increase participation, teaching young people about democracy, local and global citizenship and accountability. School Council is used to assist the school with its self-evaluation procedures, enabling us to be more accountable to the whole school community.

7.4

Curriculum Voice:

Effective ways of collecting pupil voice at all levels includes: Language Ambassadors, Art Advocates, Digital Leaders, Sports Leaders, Science Ambassadors and Librarians. In addition, opportunities are sought to ensure pupil feedback on curriculum, learning and enrichment through pupil interviews across subjects by Heads of Department, Subject Leaders and the Senior Leadership Team and feedback and evaluation from curriculum enrichment weeks. The Head of Pre-Prep and Academic Lead maintains a register of pupils who have taken part in pupil voice, ensuring pupils have an equal opportunity to be involved.

7.5

Environmental Voice - Eco-Committee:

'Eco-schools' is a national scheme which encourages schools to undertake projects which increase children's awareness of the quality of our environment. It requires the children to become actively involved in taking care of our world. At The Blue Coat School we are maintaining Green Flag Status and are actively involved in sustainability projects. The Eco-Committee meets weekly and has annual targets detailed on an action plan.

7.6

Spiritual Voice - Chapel Monitors:

Chapel Monitors meet the Chaplain weekly and an informal discussion regarding Chapel life is held. The outcomes of this meeting influences how Chapel life and The Blue Coat School charity work is developed.

8. PUPIL WELLBEING

8. I

Pupil 'Bounce Together' surveys take place termly for pupils in Year I to 6. The outcomes are analysed by the Deputy Head of Prep (Pastoral) and Head of Values and Wellbeing and used to inform the individual wellbeing needs of each child and subsequent enrichment activities across the School.

9. POLICY REVIEW AND MONITORING

9.1

Pupil participation and pupil voice are monitored and evaluated by the Senior Leadership Team and the Senior Management Team in line with expectations for whole school development.
